For the

"VIETNAM TRAVELING MEMORIAL WALL"

Brothers and sisters, after years of being shafted and blackmailed by out of staters wanting to get rich off of the LARGEST Veteran reunion in the United States, hosted right here in Florida. The Vietnam and all Veterans of Brevard County is undertaking the task of building our own "wall". The project will cost an estimated \$250,000.00. We ask, and encourage you to turn out and support the fund raiser for this noble enterprise.

All welcome
