

*Stroker's a.k.a. Mathew
norris*

Hosted by the North Florida
State

OPEN TO THE PUBLIC

Stroker went down early Saturday morning June 6th. He is a widower with 2 teenaged boys, he lost his job a couple of months ago and has no insurance. Medical or otherwise. Stroker was hospitalized with a compound fracture of the lower left leg which required all night surgery to repair. Doctor's say at least 6 months physical therapy. All monies and donations will be given to him to help pay medical bills, vehicle repairs and property damage.
