To Whom It May Concern,

Central Care Mission is a men's non-profit in house drug and alcohol abuse center. We house 32 men in our program and ask the men to commit to a minimum of a six-month stay. They go through four phases of rehabilitation.

On Saturday, January 23<sup>rd</sup> we are having a special fund-raiser for Central Care Mission called "Roads To Recovery". This a family-oriented motorcycle event where there will be food, music and a motivational speaker. All proceeds will go to Central Care Mission. If you have any questions, please feel free to call.
